REAL TRAVEL. USEFUL STORIES.

I share the real decisions behind solo travel with Type 1 diabetes and severe allergies — the mishaps, problem-solving, people and freedom.

LIVED EXPERIENCE

Products and places appear in the moments where I genuinely rely on them.

PRACTICAL VALUE

Useful detail on safety, routines and the decisions that make a journey possible.

STORY-LED EXECUTION

Hook-led vertical video built around tension, humour and practical problem-solving.

PURPOSE-LED PERSPECTIVE

Diabetes UK Young Leader and Action4Diabetes volunteer.

NATURAL BRAND FIT

Destinations, stays, tours, travel tech, insurance and accessibility-led products.

Solo travel • health and accessibility • practical adventure

MY POINT OF VIEW

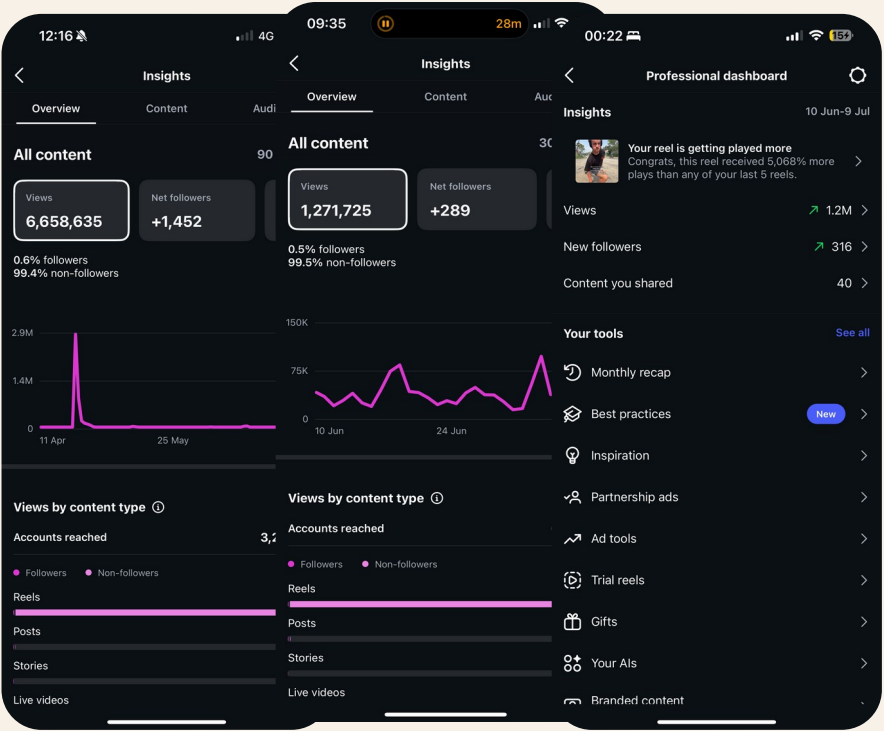

Honest moments. Useful detail.
A credible role for the right brand.

THE CONTENT TRAVELS BEYOND MY AUDIENCE.

Instagram Insights show strong discovery across both 90-day and recent 30-day windows.

Instagram Insights • 90 days: 11 Apr–9 Jul • 30 days: 10 Jun–9 Jul

90-DAY • 30-DAY • DASHBOARD

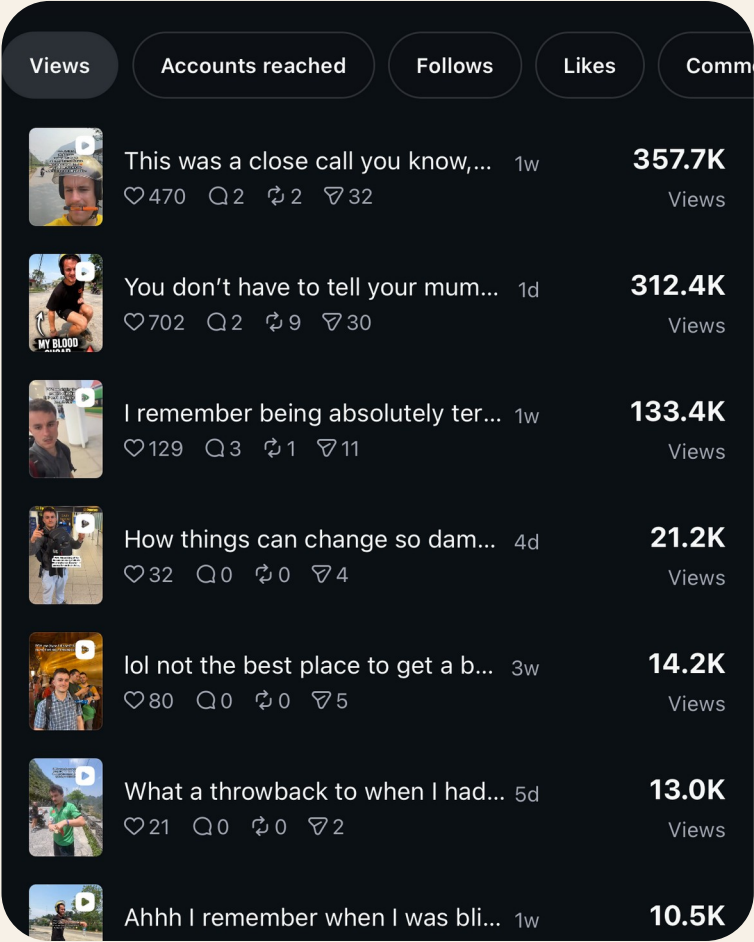

Discovery gives brands scale: almost every view came from outside the existing audience.

THREE REELS. 133K+ VIEWS EACH.

The 30-day content view shows three recent Reels passing 133K views, with two above 300K.

357.7K VIEWS	Top Reel • Instagram • 30-day content view
312.4K VIEWS	Second Reel • Instagram • 30-day content view
133.4K VIEWS	Third Reel • Instagram • 30-day content view
1,271,725 VIEWS	All Instagram content • 30 days • 10 Jun–9 Jul
99.5% NON-FOLLOWERS	Share of Instagram views • same 30-day period
